

OFFICE OF THE GOVERNOR
COMMONWEALTH OF MASSACHUSETTS
STATE HOUSE • BOSTON, MA 02133
(617) 725-4000

CHARLES D. BAKER
GOVERNOR

KARYN E. POLITO
LIEUTENANT GOVERNOR

**ORDER ASSURING CONTINUED OPERATION OF ESSENTIAL SERVICES
IN THE COMMONWEALTH, CLOSING CERTAIN WORKPLACES,
AND PROHIBITING GATHERINGS OF MORE THAN 10 PEOPLE**

COVID-19 Order No. 13

WHEREAS, on March 10, 2020, I, Charles D. Baker, Governor of the Commonwealth of Massachusetts, acting pursuant to the powers provided by Chapter 639 of the Acts of 1950 and Section 2A of Chapter 17 of the General Laws, declared that there now exists in the Commonwealth of Massachusetts a state of emergency due to the outbreak of the 2019 novel Coronavirus (“COVID-19”);

WHEREAS, on March 11, 2020, the COVID-19 outbreak was characterized as a pandemic by the World Health Organization;

WHEREAS, the number of presumptive positive and confirmed cases of COVID-19 continues to rise exponentially in the Commonwealth. As of March 22, 2020, the Department of Public Health had reported 646 cases of COVID-19, including 5 deaths, with 13 of the 14 counties in the Commonwealth impacted;

WHEREAS, the Department of Public Health is urging all residents of the Commonwealth to limit activities outside of the home and to practice social distancing at all times, both inside and outside of the home to limit the spread of this highly contagious and potentially deadly virus;

WHEREAS, on March 19, 2020, the Federal Cybersecurity and Infrastructure Security Agency issued guidance to assist States that identifies 14 critical infrastructure sectors whose workers provide services and functions that are essential to maintain in order to support a strong response to the COVID-19 pandemic;

WHEREAS, as Governor, I have identified additional services and functions that likewise are essential to promote the public health and welfare of the Commonwealth, and

therefore it is imperative to ensure that workers providing critical services and functions in these State and Federally designated sectors may continue to work to ensure community resilience and continuity of response efforts; and

WHEREAS, sections 7, 8, and 8A of Chapter 639 of the Acts of 1950 authorize the Governor, during the effective period of a declared emergency, to exercise any and all authority over persons and property necessary or expedient for meeting a state of emergency, including but not limited to authority over public assemblages in order to protect the health and safety of persons, regulating the sale of articles of food and household articles, and policing, protection, and preservation of public and private property;

NOW, THEREFORE, in order to minimize all unnecessary activities outside of the home during the state of emergency, I hereby order the following:

1. Maintaining Operation of COVID-19 Essential Services and Workforces

The production and service sectors identified in Exhibit A are hereby designated as “COVID-19 Essential Services.” The workforces engaged and working in these production and service sectors are hereby designated as “COVID-19 Essential Workforces.” I shall amend and publish updates to Exhibit A as I determine necessary in response to conditions as they develop.

Businesses and other organizations that provide the services and functions identified as COVID-19 Essential Services in Exhibit A are urged to continue operations during the state of emergency, but to do so with allowance for social distancing protocols consistent with guidance provided by the Department of Public Health.

Restaurants, bars, and other retail establishments that sell food and beverage products to the public provide COVID-19 Essential Services and are designated as such in Exhibit A. These establishments are therefore encouraged to continue to offer food and beverages for take-out and by delivery provided that they follow the social distancing protocols set forth in Department of Public Health guidance. Restaurants, bars, or other establishments that offer food or beverages to the public shall not permit on-premises consumption of food or beverages.

2. Temporary Closing of Other Businesses and Organizations

All businesses and other organizations that do not provide COVID-19 Essential Services shall close their physical workplaces and facilities (“brick-and-mortar premises”) to workers, customers, and the public as of 12:00 noon on March 24, 2020 and shall not re-open to workers, customers, or the public before 12:00 noon on April 7, 2020. Churches, temples, mosques, and other places of worship shall not be required to close their brick and mortar premises to workers or the public; provided, however, that such institutions shall be required to comply with all limitations on gatherings established in section 3 below.

Businesses and other organizations that do not provide COVID-19 Essential Services are encouraged to continue operations where they are able to operate through remote means that do not require workers, customers, or the public to enter or appear at the brick-and-mortar premises closed by this Order.

3. Limitations on Gatherings

Gatherings of more than 10 people are prohibited throughout the Commonwealth. Gatherings subject to this Order include, without limitation, community, civic, public, leisure, faith-based, or sporting events, concerts, conferences, conventions, fundraisers, parades, fairs, festivals, weddings, funerals, and any similar event or activity that brings together more than 10 persons in any confined indoor or outdoor space. This limitation shall not apply to the operations or activities of any business or organization in its provision or delivery of COVID-19 Essential Services.

This Order does not prohibit gatherings of more than 10 people in an unenclosed, outdoor space such as a park, athletic field, or parking lot.

Athletic and recreational activities that bring participants into close, physical contact are prohibited even when involving 10 or fewer people and regardless of where conducted.

4. Exceptions

(a) This Order shall not apply to any municipal legislative body or to the General Court or to the Judiciary.

(b) This Order shall not apply to residential schools for special needs students. This Order also does not apply to public and private elementary and secondary (K-12) schools in the Commonwealth, which are subject to the March 15, 2020 Order Temporarily Closing All Public and Private Elementary and Secondary Schools, as may be subsequently amended, which suspended all normal, in-person instruction.

(c) This Order does not apply to the operation of child care programs in the Commonwealth, which are subject to the March 18, 2020 Order Temporarily Closing All Child Care Programs and Authorizing the Temporary Creation and Operation of Emergency Child Care Programs, as may be subsequently amended.

5. Implementing Guidance and Enforcement

The Commissioner of Public Health is directed to issue guidance (“DPH Guidance”), subject to my approval, to implement the terms of this Order. The DPH Guidance shall include a requirement that grocery stores and other retailers with substantial retail grocery sales establish special limited access hours during which elderly and other vulnerable populations may have exclusive access to make grocery purchases.

The Department of Public Health, along with any board of health or authorized agent pursuant to G. L. c. 111, § 30, shall enforce this Order and if necessary may do so with the assistance of State or municipal police. Violation of the terms of this Order or the DPH Guidance may result in a criminal penalty pursuant to Section 8 of Chapter 639 of the Acts of 1950 or a civil fine of up to \$300 per violation, in the manner provided for non-criminal disposition of violations of municipal by-law, ordinance, rule, or regulation pursuant to G. L. c. 40, § 21D. A criminal complaint for violation of or a motion for an injunction to enforce this Order or the DPH Guidance shall be filed in the district court with jurisdiction for the municipality in which the violation has been charged.

In addition, I hereby direct the Commissioner of Public Health to act under the authority of G. L. c. 17, § 2A and G. L. c. 111, § 6 or any other appropriate authority to supplement the terms of this Order in the event she determines additional measures are required to ensure that the terms of this Order are observed.

This Order supersedes and makes inoperative any order or rule issued by a municipality that will or might in any way impede or interfere with the achievement of the objectives of this Order. With respect to work and travel in particular, any order or rule issued by a municipality is hereby made inoperative to the extent: (1) such municipal order or rule will or might interfere with provisions of this Order ensuring the continued operation of COVID-19 Essential Services; or (2) such municipal order or rule will or might interfere with the free travel anywhere within the Commonwealth of any person who is a member of any COVID-19 Essential Workforce where such travel is made in connection with the ongoing operation of COVID-19 Essential Services.

This Order rescinds and revokes the Order Prohibiting Gatherings of More than 25 People and On-Premises Consumption of Food or Drink, issued March 15, 2020.

If any provision of this Order or the application thereof to any person or entity or circumstance is determined to be invalid by a court of competent jurisdiction, such judgment shall not affect or impair the validity of the other provisions of this Order or the application thereof to other persons, entities, and circumstances.

This Order shall be effective at 12:00 noon March 24, 2020 and shall remain in effect through 12:00 noon on April 7, 2020 unless further extended.

Given in Boston at 9:15 AM this 23rd day
of March, two thousand and twenty

CHARLES D. BAKER
GOVERNOR
Commonwealth of Massachusetts

COVID-19 ESSENTIAL SERVICES

EXHIBIT A OF THE ORDER OF THE GOVERNOR ASSURING CONTINUED OPERATION OF ESSENTIAL SERVICES IN THE COMMONWEALTH, CLOSING CERTAIN WORKPLACES AND PROHIBITING GATHERINGS OF MORE THAN 10 PEOPLE

March 23, 2020

Governor Charlie Baker issued an emergency order requiring all businesses and organizations that do not provide “COVID-19 Essential Services” to close their physical workplaces and facilities to workers, customers and the public as of Tuesday, March 24th at noon until Tuesday, April 7th at noon. These businesses are encouraged to continue operations remotely.

The Baker-Polito Administration issued a list of designated businesses and other organizations that provide essential services and workforces related to COVID-19 that shall continue to operate brick and mortar facilities during this two-week time period. This list is based on federal guidance and amended to reflect the needs of Massachusetts’ unique economy. While these businesses are designated as essential, they are urged to follow social distancing protocols for workers in accordance with guidance from the Department of Public Health.

Businesses and organizations not on the list of essential services are encouraged to continue operations through remote means that do not require workers, customers, or the public to enter or appear at the brick-and-mortar premises closed by the order.

Restaurants, bars, and other establishments that sell food and beverage products to the public are encouraged to continue to offer food for take-out and by delivery if they follow the social distancing protocols set forth in Department of Public Health guidance continue operations. On-premises consumption of food or drink is prohibited.

HEALTHCARE / PUBLIC HEALTH / HUMAN SERVICES

- Workers providing COVID-19 testing; Workers that perform critical clinical research needed for COVID-19 response
- Medical Professionals and caregivers (e.g., physicians, dentists, psychologists, mid-level practitioners, nurses and assistants, infection control and quality assurance personnel, pharmacists, physical and occupational therapists and assistants, social workers, speech pathologists and diagnostic and therapeutic technicians and technologists, other providers of mental and behavioral health care, personal care attendants, home health aides and home care workers)
- Hospital and laboratory personnel (including accounting, administrative, admitting and discharge, engineering, epidemiological, source plasma and blood donation, food service, housekeeping, medical records, information technology and operational technology, nutritionists, sanitarians, respiratory therapists, etc.)
- Workers in other medical facilities (including Ambulatory Health and Surgical, Blood Banks, Medical Clinics, Community Mental Health Centers, Methadone/OBOT Clinics, 24 hour Diversionary and Residential Behavioral Health Providers, Comprehensive Outpatient rehabilitation, End Stage Renal Disease, Health Departments, Home Health care, Hospices, Hospitals, Nursing Facilities, Rest Homes, Assisted Living Residences, Organ Pharmacies,

COVID-19 Essential Services

Procurement Organizations, Psychiatric Residential, Residential Treatment Schools, Rural Health Clinics and Federally Qualified Health Centers and Community Health Centers, State Hospitals, and licensed medical marijuana retailers)

- Workers in other 24/7 community resident services serving children and youth, and individuals with developmental, intellectual, physical and/or cognitive disabilities
- Manufacturers, technicians, logistics and warehouse operators, and distributors of or necessary to the supply chain of medical equipment, personal protective equipment (PPE), medical gases, pharmaceuticals, blood and blood products, vaccines, testing materials, laboratory supplies, cleaning, sanitizing, disinfecting or sterilization supplies, and tissue and paper towel products
- Public health / community health workers, including those who compile, model, analyze and communicate public health information
- Blood and plasma donors and the employees of the organizations that operate and manage related activities
- Workers that manage health plans, billing, and health information, who cannot practically work remotely
- Workers who conduct community-based public health functions, conducting epidemiologic surveillance, compiling, analyzing and communicating public health information, who cannot practically work remotely
- Workers performing cybersecurity functions at healthcare and public health facilities, who cannot practically work remotely
- Workers conducting research critical to COVID-19 response
- Workers performing security, incident management, and emergency operations functions at or on behalf of healthcare entities including healthcare coalitions, who cannot practically work remotely
- Workers who support food, shelter, and social services, and other necessities of life for economically disadvantaged or otherwise needy individuals, such as those residing in shelters
- Pharmacy employees necessary for filling prescriptions
- Workers performing mortuary services and workers at funeral homes, crematoriums, and cemeteries
- Workers who coordinate with other organizations to ensure the proper recovery, handling, identification, transportation, tracking, storage, and disposal of human remains and personal effects; certify cause of death; and facilitate access to mental/behavioral health services to the family members, responders, and survivors of an incident

LAW ENFORCEMENT, PUBLIC SAFETY, FIRST RESPONDERS

- Personnel in emergency management, law enforcement, Emergency Management Systems, fire, and corrections, including front line and management required to maintain operations
- Emergency Medical Technicians
- 911 call center employees, including telecommunicators, dispatchers and managers
- Fusion Center employees
- Hazardous material responders from government and the private sector.
- Workers – including contracted vendors -- who maintain digital systems infrastructure supporting law enforcement and emergency service operations.

FOOD AND AGRICULTURE

- Workers supporting groceries, pharmacies and other retail, including farmers markets and farm stands, that sells food and beverage products, including liquor stores
- Restaurant carry-out and quick serve food operations - Carry-out and delivery food employees

COVID-19 Essential Services

- Food manufacturer employees and their supplier employees—to include those employed in food processing (packers, meat processing, cheese plants, milk plants, produce, etc.) facilities; livestock, poultry, seafood slaughter facilities; pet and animal feed processing facilities; human food facilities producing by-products for animal food; beverage production facilities; and the production of food packaging
- Farm workers to include those employed in animal food, feed, and ingredient production, packaging, and distribution; manufacturing, packaging, and distribution of veterinary drugs; truck delivery and transport; farm and fishery labor needed to produce our food supply domestically
- Farm workers and support service workers to include those who field crops; commodity inspection; fuel ethanol facilities; storage facilities; and other agricultural inputs
- Workers supporting the seafood and fishing industry
- Employees and firms supporting food, feed, and beverage distribution, including warehouse workers, vendor-managed inventory controllers and blockchain managers
- Workers supporting the sanitation of all food manufacturing processes and operations from wholesale to retail
- Company cafeterias - in-plant cafeterias used to feed employees; food service workers in residential schools with students who are unable to leave campus
- Workers in food testing labs in private industries and in institutions of higher education
- Workers essential for assistance programs and government payments
- Employees of companies engaged in the production of chemicals, medicines, vaccines, and other substances used by the food and agriculture industry, including pesticides, herbicides, fertilizers, minerals, enrichments, and other agricultural production aids
- Animal agriculture workers to include those employed in veterinary health; manufacturing and distribution of animal medical materials, animal vaccines, animal drugs, feed ingredients, feed, and bedding, etc.; transportation of live animals, animal medical materials; transportation of deceased animals for disposal; raising of animals for food; animal production operations; slaughter and packing plants and associated regulatory and government workforce
- Organizations and workers responsible for the care and custody of animals, pets and livestock
- Workers who support the manufacture and distribution of forest products, including, but not limited to timber, paper, and other wood products
- Employees engaged in the manufacture and maintenance of equipment and other infrastructure necessary to agricultural production and distribution

ENERGY

Electricity industry:

- Workers who maintain, ensure, or restore the reliable generation, transmission, and distribution of electric power, including call centers, utility workers, reliability engineers and fleet maintenance technicians
- Workers needed for safe and secure operations at nuclear generation
- Workers at generation, transmission and electric blackstart facilities
- Workers at Reliability Coordinator (RC), Balancing Authorities (BA), and primary and backup Control Centers (CC), including but not limited to independent system operators, regional transmission organizations, and balancing authorities
- Mutual assistance personnel

COVID-19 Essential Services

- IT and OT technology staff – for EMS (Energy Management Systems) and Supervisory Control and Data Acquisition (SCADA) systems, and utility data centers; Cybersecurity engineers; cybersecurity risk management
- Vegetation management crews and traffic workers who support
- Environmental remediation/monitoring technicians
- Instrumentation, protection, and control technicians

Petroleum workers:

- Petroleum product storage, pipeline, marine transport, terminals, rail transport, road transport
- Crude oil storage facilities, pipeline, and marine transport
- Petroleum refinery facilities
- Petroleum security operations center employees and workers who support emergency response services
- Petroleum operations control rooms/centers
- Petroleum drilling, extraction, production, processing, refining, terminal operations, transporting, and retail for use as end-use fuels or feedstocks for chemical manufacturing
- Onshore and offshore operations for maintenance and emergency response
- Retail fuel centers such as gas stations and truck stops, and the distribution systems that support them

Natural and propane gas workers:

- Natural gas transmission and distribution pipelines, including compressor stations, and road transport
- Underground storage of natural gas
- Natural gas processing plants, and those that deal with natural gas liquids
- Liquefied Natural Gas (LNG) facilities
- Natural gas security operations center, natural gas operations dispatch and control rooms/centers natural gas emergency response and customer emergencies, including natural gas leak calls
- Drilling, production, processing, refining, and transporting natural gas for use as end-use fuels, feedstocks for chemical manufacturing, or use in electricity generation
- Propane gas dispatch and control rooms and emergency response and customer emergencies, including propane leak calls
- Propane gas service maintenance and restoration, including call centers
- Processing, refining, and transporting natural liquids, including propane gas, for use as end-use fuels or feedstocks for chemical manufacturing
- Propane gas storage, transmission, and distribution centers

Steam workers:

- Workers who support steam distribution companies' provision of district heating and any electric generation
- Workers who support steam distribution companies' dispatch and control rooms and emergency response and customer emergencies, including steam leak calls
- Workers who support steam distribution companies' service maintenance and restoration, including call centers
- Workers who support steam distribution companies' storage, transmission, and distribution centers

WATER AND WASTEWATER

Employees needed to operate and maintain public and private drinking water and wastewater/drainage infrastructure, including:

- Operational staff at water authorities
- Operational staff at community water systems
- Operational staff at wastewater treatment facilities
- Workers repairing water and wastewater conveyances and performing required sampling or monitoring
- Operational staff for water distribution and testing
- Operational staff at wastewater collection facilities
- Operational staff and technical support for SCADA Control systems
- Chemical disinfectant suppliers for wastewater and personnel protection
- Workers that maintain digital systems infrastructure supporting water and wastewater operations

TRANSPORTATION AND LOGISTICS

- Employees supporting or enabling transportation functions, including dispatchers, maintenance and repair technicians, warehouse workers, truck stop and rest area workers, and workers that maintain and inspect infrastructure (including those that require cross-border travel)
- Employees of firms providing services that enable logistics operations, including cooling, storing, packaging, and distributing products for wholesale or retail sale or use
- Mass transit and passenger rail workers, including contracted vendors providing transportation and maintenance services to public transit authorities
- Workers critical to operating rental car companies and Transportation Network Companies (TNCs) that facilitate continuity of operations for essential workforces, and other essential travel
- Workers responsible for operating dispatching passenger, commuter and freight trains and public transportation and buses and maintaining rail and transit infrastructure and equipment
- Maritime transportation workers - port workers, mariners, equipment operators
- Truck drivers who haul hazardous and waste materials to support critical infrastructure, capabilities, functions, and services
- Automotive repair and maintenance facilities
- Workers who respond to and clear traffic crashes, including contracted vendors and dispatchers
- Manufacturers and distributors (to include service centers and related operations) of packaging materials, pallets, crates, containers, and other supplies needed to support manufacturing, packaging staging and distribution operations
- Postal and shipping workers, to include private companies
- Workers who support moving and storage services
- Employees who repair and maintain vehicles, aircraft, rail equipment, marine vessels, and the equipment and infrastructure that enables operations that encompass movement of cargo and passengers
- Air transportation employees, including air traffic controllers, ramp personnel, aviation security, and aviation management and other workers – including contracted vendors – providing services for air passengers
- Workers who support the maintenance and operation of cargo by air transportation, including flight crews, maintenance, airport operations, and other on- and off- airport facilities workers

PUBLIC WORKS

- Workers who support the operation, inspection, and maintenance of essential dams, locks and levees
- Workers who support the operation, inspection, and maintenance of essential public works facilities and operations, including roads and bridges, water and sewer main breaks, fleet maintenance personnel, construction of critical or strategic infrastructure, traffic signal maintenance, emergency location services for buried utilities, maintenance of digital systems infrastructure supporting public works operations, and other emergent issues
- Workers – including contracted vendors – involved in the construction of critical or strategic infrastructure including public works construction, airport operations, water, sewer, gas, electrical, nuclear, oil refining and other critical energy services, roads and highways, public transportation, solid waste collection and removal, and internet, and telecommunications systems (including the provision of essential global, national, and local infrastructure for computing services)
- Workers such as plumbers, electricians, exterminators, inspectors and other service providers who provide services that are necessary to maintaining the safety, sanitation, and essential operation of residences, construction sites and projects, and needed facilities
- Support, such as road and line clearing and utility relocation, to ensure the availability of needed facilities, transportation, energy and communications
- Support to ensure the effective removal, storage, and disposal of residential and commercial solid waste and hazardous waste
- Licensed site clean-up professionals and other workers addressing hazardous spills, waste sites, and remediation.
- Workers who support the operation, maintenance and public safety of state parks, forests, wildlife management areas, water supply protection lands, and other critical natural resources.
- Workers who support storm clean-up operations (e.g., foresters).

COMMUNICATIONS AND INFORMATION TECHNOLOGY

Communications:

- Maintenance of communications infrastructure- including privately owned and maintained communication systems- supported by technicians, operators, call-centers, wireline and wireless providers, cable service providers, satellite operations, undersea cable landing stations, Internet Exchange Points, and manufacturers and distributors of communications equipment
- Workers who support radio, television, and media service, including, but not limited to front line news reporters, studio, and technicians for newsgathering and reporting
- Workers at Independent System Operators and Regional Transmission Organizations, and Network Operations staff, engineers and/or technicians to manage the network or operate facilities
- Engineers, technicians and associated personnel responsible for infrastructure construction and restoration, including contractors for construction and engineering of fiber optic cables
- Installation, maintenance and repair technicians that establish, support or repair service as needed
- Central office personnel to maintain and operate central office, data centers, and other network office facilities
- Customer service and support staff, including managed and professional services as well as remote providers of support to transitioning employees to set up and maintain home offices,

COVID-19 Essential Services

who interface with customers to manage or support service environments and security issues, including payroll, billing, fraud, and troubleshooting

- Dispatchers involved with service repair and restoration

Information Technology:

- Workers who support command centers, including, but not limited to Network Operations Command Center, Broadcast Operations Control Center and Security Operations Command Center
- Data center operators, including system administrators, HVAC & electrical engineers, security personnel, IT managers, data transfer solutions engineers, software and hardware engineers, and database administrators
- Client service centers, field engineers, and other technicians supporting critical infrastructure, as well as manufacturers and supply chain vendors that provide hardware and software, and information technology equipment (to include microelectronics and semiconductors) for critical infrastructure
- Workers responding to cyber incidents involving critical infrastructure, including medical facilities, SLTT governments and federal facilities, energy and utilities, and banks and financial institutions, and other critical infrastructure categories and personnel
- Workers supporting the provision of essential global, national and local infrastructure for computing services (incl. cloud computing services), business infrastructure, web-based services, and critical manufacturing
- Workers supporting communications systems and information technology used by law enforcement, public safety, medical, energy and other critical industries
- Support required for continuity of services, including janitorial/cleaning personnel

OTHER COMMUNITY-BASED ESSENTIAL FUNCTIONS AND GOVERNMENT OPERATIONS

- Workers to ensure continuity of building functions, including local and state inspectors and administrative support of inspection services who are responsible for the inspection of elevators, escalators, lifts, buildings, plumbing and gas fitting, electrical work, and other safety related professional work
- Security staff to maintain building access control and physical security measures
- Elections personnel
- Federal, State, and Local, Tribal, and Territorial employees who support Mission Essential Functions and communications networks
- Trade Officials (FTA negotiators; international data flow administrators)
- Weather forecasters
- Workers that maintain digital systems infrastructure supporting other critical government operations
- Workers at operations centers necessary to maintain other essential functions
- Workers who support necessary credentialing, vetting and licensing operations for transportation workers including holders of Commercial Drivers Licenses
- Workers who are critical to facilitating trade in support of the national, state and local emergency response supply chain
- Educators and staff supporting public and private emergency childcare programs, residential schools for students with disabilities, K-12 schools, colleges, and universities for purposes of facilitating distance learning, provision of school meals, or performing other essential student support functions, if operating under rules for social distancing

COVID-19 Essential Services

- Hotel workers
- Critical government workers, as defined by the employer and consistent with Continuity of Operations Plans
- Construction Workers who support the construction, operation, inspection, and maintenance of construction sites and construction projects (including housing construction)
- Workers that provide services for or determine eligibility for public benefits such as subsidized health care, food and feeding programs, residential and congregate care programs, shelter, in-home supportive services, child welfare, juvenile justice programs, adult protective services and social services, and other necessities of life for economically disadvantaged or otherwise needy individuals (including family members)
- Workers in sober homes
- Professional services (such as legal and accounting services) and payroll and employee benefit services, when necessary to assist in compliance with legally mandated activities and critical sector services or where failure to provide such services during the time of the order would result in significant prejudice
- Commercial retail stores that supply essential sectors, including convenience stores, pet supply stores, auto supplies and repair, hardware and home improvement, and home appliance retailers
- Laundromats and laundry services
- Workers and instructors supporting academies and training facilities and courses for the purpose of graduating students and cadets that comprise the essential workforce for all identified critical sectors
- Workers at places of worship

CRITICAL MANUFACTURING

- Workers necessary for the manufacturing of materials and products needed for medical supply chains including personal protective equipment and hygiene products, transportation, energy, communications, food and agriculture, chemical manufacturing, nuclear facilities, the operation of dams, water and wastewater treatment, emergency services, and the defense industrial base.

HAZARDOUS MATERIALS

- Workers at nuclear facilities, workers managing medical waste, workers managing waste from pharmaceuticals and medical material production, and workers at laboratories processing test kits
- Workers who support hazardous materials response and cleanup
- Workers who maintain digital systems infrastructure supporting hazardous materials management operations

FINANCIAL SERVICES

- Workers who are needed to process and maintain systems for processing financial transactions and services (e.g., payment, clearing, and settlement; wholesale funding; services; and capital markets activities)
- Workers who are needed to provide consumer access to banking and lending services, including ATMs, and to move currency and payments (e.g., armored cash carriers)
- Workers who support financial operations, such as those staffing data and security operations centers

CHEMICAL

- Workers supporting the chemical and industrial gas supply chains, including workers at chemical manufacturing plants, workers in laboratories, workers at distribution facilities, workers who transport basic raw chemical materials to the producers of industrial and consumer goods, including hand sanitizers, food and food additives, pharmaceuticals, textiles, and paper products.
- Workers supporting the safe transportation of chemicals, including those supporting tank truck cleaning facilities and workers who manufacture packaging items
- Workers supporting the production of protective cleaning and medical solutions, personal protective equipment, and packaging that prevents the contamination of food, water, medicine, among others essential products
- Workers supporting the operation and maintenance of facilities (particularly those with high risk chemicals and/or sites that cannot be shut down) whose work cannot be done remotely and requires the presence of highly trained personnel to ensure safe operations, including plant contract workers who provide inspections
- Workers who support the production and transportation of chlorine and alkali manufacturing, single-use plastics, and packaging that prevents the contamination or supports the continued manufacture of food, water, medicine, and other essential products, including glass container manufacturing

DEFENSE INDUSTRIAL BASE

- Workers who support the essential services required to meet national security commitments to the federal government and U.S. Military. These individuals, include but are not limited to, aerospace; mechanical and software engineers, manufacturing/production workers; IT support; security staff; security personnel; intelligence support, aircraft and weapon system mechanics and maintainers
- Personnel working for companies, and their subcontractors, who perform under contract to the Department of Defense providing materials and services to the Department of Defense, and government-owned/contractor-operated and government-owned/government-operated facilities

If the function of your business is not listed above, but you believe that it is essential or it is an entity providing essential services or functions, you may request designation as an essential business.

Requests by businesses to be designated an essential function should only be made if they are NOT covered by the guidance.

To request designation as an essential business, please click here:
