AGENDA-Amended

Items on the agenda include;

1. Town Hall Restoration-Article-Reconsideration/Vote
2. Items not reasonably expected by the Chair 48 hours in advance of the meeting.

Discussion during Board meetings should always be courteous and respectful, and should be confined to the subject under consideration. Sarcasm is generally not respectful, and the subject under consideration does not include the individuals involved in the debate. All statements and questions should be directed to the Chair during the public comment period, who will ask the appropriate person to respond. Comments should be kept to three minutes or less. This is to try to keep the meeting from running behind. A copy of documents used in a presentation must be provided to be kept as part of the official record.
