

Addendum #1

RFP: Lease of Real Property for Construction of Solar Energy Arrays and Associated Equipment

Addendum: Site visits originally scheduled for the week of September 21st have been amended to a virtual tour on Wednesday September 30, 2020 at 3:00 pm.

Format: Zoom webinar. Questions can be asked by viewers and answered in real-time by Town employees who will be touring the sites live. The tour will be recorded, but we cannot guarantee at this time that it will be uploaded and available for viewing.

The Zoom webinar information is as follows:

Webinar ID: 831 6080 0868

Timing: Please allow for up to three hours for viewing the full site tour with breaks as the Town employees transition from site to site.

Reason for Addendum: The RFP originally contemplated a live tour of Town sites in-person by bidders. Due to several factors we will be modifying our in-person site tour to a virtual tour:

- A significant amount of interest
- School schedules and visiting protocols in place to comply with pandemic requirements established by the Commonwealth and Town of Cohasset
- A slight uptick in the number of reported Covid-19 cases in surrounding communities

As such, a virtual Zoom webinar would be the best option for the safety and well-being of potential suppliers and our community.

Zoom Webinar information will be posted on the Cohasset website.
