DEP File Number SE 13-1259 (NOI 18-01)
Expiration Date: 2/15/21**

Dear Jeff:

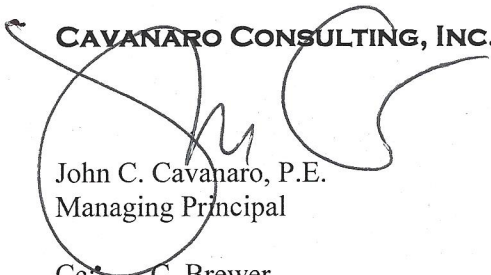

On behalf of the South Shore Hellenic Church, Inc., we are requesting an extension of the Order of Conditions for the project located at 811-819 Jerusalem Road. The Order of Conditions (SE13-1259/NOI 18-01) was issued on February 16, 2018 and is valid for three years, to February 15, 2021. The Conservation Commission also issued a Stormwater Permit (SWP 18-01) on February 16, 2018, but this does not have a required date of completion.

The work approved in the aforementioned order includes the construction of a new hall, new parking areas, new walkways and other hardscaping, stormwater controls, and landscaping. The work has commenced but has not been completed due to a lack of funding and delays in construction, primarily attributed to the COVID emergency. The church intends to complete the project that has been partially constructed.

A check for \$150.00 check made payable to the Town of Cohasset is included with this request. We look forward to the Conservation Commission's consideration of our request at their next available hearing. Please do not hesitate to contact me with any questions.

Sincerely,

CAVANARO CONSULTING, INC.
