Article 9: Easement from First Parish Church to Access Town Clock

To see if the Town will vote to authorize the Select Board to acquire, by purchase, gift, and/or eminent domain, an easement from the First Parish Church on property located at 23 North Main Street, identified by the Assessors Parcel E5-18-081, for the purpose of accessing and maintaining the Town clock, on such terms and conditions as the Select Board deems appropriate, or to take any other action related thereto.

SELECT BOARD

INFORMATIONAL SUMMARY: This Article will authorize the Select Board to accept an easement from the First Parish Church to ensure access to the town clock for repairs and routine maintenance.

Select Board: Recommend Approval by a Vote of 5-0.

Advisory Committee: Recommend Approval by a Vote of 8-0.

Article 10: Wetlands Protection Bylaws Updated Definitions-Resource Area

To see if the Town will vote amend the Cohasset Bylaws, Chapter 260 “Wetlands Protection”, § 260-8 “Definitions” by deleting the text show in ~~strikethrough~~ and inserting the **bold underline** text, as follows:

RIVERFRONT AREA — That area of land within 200 feet of a ~~perennial~~ river **or stream**, with the two-hundred-foot riverfront zone being measured from the annual mean high-water line **as defined in the Act** of the subject ~~perennial~~ river **or stream**. The two-hundred-foot riverfront zone shall include a one-hundred-foot inner zone and a one-hundred-foot outer zone. **There is no buffer zone for the Riverfront Area.**

VERNAL POOL — Includes **confined basin or depression not occurring in existing lawns, gardens, landscaped areas, or driveways which, at least in most years, holds water for a minimum of two continuous months between December and June, is free of adult predatory fish, and provides essential breeding and rearing habitat functions for amphibian, reptile, or Vernal Pool community species, regardless of whether the wetland site has been certified as a Vernal Pool by the Massachusetts Division of Fisheries and Wildlife and Fisheries. The presumption of essential Vernal Pool habitat value may be overcome by the presentation of credible evidence which in the judgment of the Commission demonstrates that the basin or depression does not provide the habitat functions as specified in the Bylaw regulations. The Buffer Zone for Vernal Pools shall extend 100 feet from the mean annual high-water line defining the depression and the Buffer Zone for Vernal Pools shall be defined as a no disturbance area** any temporary ponding area that holds water for two consecutive months between December 31 and June 30 in a given year, and that meets the criteria for state certification, whether or not it is so certified. The vernal pool should be capable of providing habitat for obligate and facultative wetland wildlife species. ~~Or to take any other action related thereto~~

Select Board for the CONSERVATION COMMISSION

INFORMATIONAL SUMMARY: These amendments will clarify each definition and also bring them into closer conformity with state regulations.

Select Board: Recommend Approval by a Vote of 5-0.

Advisory Committee: Recommend Approval by a Vote of 7-0.

Conservation Commission: Recommend Approval by a Vote of 5-0.

Article 11: Public Safety Communication Towers

To see if the Town will vote to transfer the care, custody and control of a portion of Wheelwright Park, which park is located on Forest Avenue, identified by the Assessors as Parcel D3-15-100, and is described in a deed recorded with the Norfolk Registry of Deeds in Book 1375, Page 362, and which portion to be transferred contains 2 acres, more or less, and is approximately shown on a plan entitled “Wheelwright Park Plan”, on file with the Town Clerk, from the Select Board for park purposes to the Select Board for general municipal purposes and for the purpose of leasing, and, further, to authorize the Select Board to enter into telecommunications leases from time to time on such terms and conditions and for such duration, which may exceed thirty years, as the Select Board deems in the best interests of the Town, and to grant access, utility and other easements in said portion; and, further, to authorize the Select Board to file a petition with the General Court pursuant to Article 97 of the Massachusetts Constitution for a special act authorizing the foregoing transfer under Article 97 of the Massachusetts Constitution, and, to satisfy the Executive Office of Energy and Environmental Affairs’ “no net loss policy,” to transfer the care, custody and control of a parcel of land containing 2 acres, more or less, on Chief Justice Cushing Highway, and known on Assessor’s records as Parcel D8-52-006, and is described in a deed recorded with the Norfolk County Registry of Deeds in Book 36605, Page 504, from the Select Board for general municipal purposes to the Select Board, acting as the Board of Park Commissioners, for park purposes in perpetuity under the provisions of G.L. c. 45, §3 and subject to the provisions of Article 97 of the Massachusetts Constitution, with the foregoing transfers to become effective upon the enactment of the Article 97 legislation, or to take any other action related thereto.

SELECT BOARD

INFORMATIONAL SUMMARY: This Article would authorize a petition to the State to allow public land owned by the Town to be utilized for the siting of a Cellular Communications Tower to address critical gaps in service in the northeast section of the Town.

Select Board: Recommend Approval by a Vote of 5-0.

Advisory Committee: Recommend Approval by a Vote of 8-0.

Article 12: Removal of Cohasset Police Department from Civil Service

To see if the Town will authorize the Select Board to file a home rule petition with the General Court pursuant to Article 97 of the Massachusetts Constitution to remove the Cohasset Police Department from the Civil Service System, or to take any other action related thereto.

SELECT BOARD

INFORMATIONAL SUMMARY: This Article would authorize the Select Board to petition the State Legislature to remove the Cohasset Police Department from the Civil Service system. The Cohasset Police Unions have agreed to support this petition.

Select Board: Recommend Approval by a Vote of 5-0.

Advisory Committee: Recommend Approval by a Vote of 8-0.

Article 13: Contract Extensions for Cell Antennas at the Water Department

To see if the Town will approve extensions for the lease of space on equipment owned by the Cohasset Water Department for the installation and maintenance of cellular antennas, or to take any other action related thereto.

Select Board for the WATER COMMISSION

INFORMATIONAL SUMMARY: This Article would authorize the extension of leases with Verizon and AT&T for the installation and maintenance of cellular antennas on the Water Tanks operated by the Cohasset Water Department. INFORMATIONAL SUMMARY: To inform the Town and encourage productive steps be taken to add sidewalks on upper King Street and a portion of Pond Street, allowing residents and children to safely travel to and from school and within their neighborhood.

Select Board: Recommend referral to the Sidewalk Committee.

Advisory Committee: Vote to Not Recommend by a Vote of 7-1.

Article 15: Citizen Petition-Navigation Bylaw

To see if the Town will vote to amend the Town of Cohasset General Bylaws by adding a new bylaw entitled “Navigation Bylaw” as follows, or take any action related hereto. The proposed bylaw has no known direct cost.

1. Jurisdiction. Pursuant to Chapter 54 of the Acts of 1953, the Town of Cohasset has the authority to enact this Bylaw to provide for regulation and enforcement of rules and regulations for the operation of motor boats in Cohasset harbor and cove within the territorial limits of the Commonwealth, and of the mooring and anchoring of boats, lobster cars or floats therein.

2. Powers and duties. Pursuant to Chapter 54 of the Acts of 1953, the Harbormaster, Assistant Harbormaster and police officers of the Town of Cohasset shall enforce this Bylaw.

3. Purpose; applicability. A. It is the intent of this Bylaw to protect and promote safe and unobstructed navigation for motor boats and other watercraft such that operation thereof shall not (i) endanger the safety of the public, (ii) cause detriment or injury to the natural resource, (iii) injure persons or property or the environment, or (iv) increase congestion of said harbor and cove. B. It is also the intent of this Bylaw to protect and promote public availability and use of a valuable conservation and recreation resource. C. This Bylaw shall apply to the tidal waters and land thereunder of Cohasset harbor and cove within the territorial limits of the Commonwealth, as said harbor and cove appear on the US Coast and Geodetic Survey chart 246 dated March 1948 (25th edition) then in effect upon enactment of Chapter 54 of the Acts of 1953 (the “Regulated Area”). D. The Bylaw requirements promulgated herein are in addition to the requirements of state and federal law, and with the exception thereof shall apply notwithstanding any other rules or regulations with provisions to the contrary.

4. Use requirements. Interference with navigation, safety and recreation. A. Preamble. The Regulated area has been used historically for many varieties of fishing, fowling and navigation and as well as conservation, recreation, education and research. The Regulated Area is further environmentally sensitive and must be protected given the critical role of eel grass, barrier beaches and salt marsh in protecting against sea level rise and climate change pursuant to Executive Orders 181 and 569. The unique features of the channel and flats severely reduce navigable waters at low tide, further requiring all navigable waters remain unobstructed to avoid further congestion. B. To protect and promote safe and unobstructed navigation for motor boats and other watercraft as well as conservation and recreation throughout the Regulated Area, the installation of anything placed in or upon tidal waters or affixed to land thereunder shall be prohibited in the Regulated Area. Additionally, in that portion of the Regulated Area located north and east of the breakwater, persons may not anchor, beach or run aground any boat for the purpose of engaging in commercial activity. Exemptions below are not subject to these regulations.

5. Exemptions within Regulated Area. A. Moorings located south of the breakwater assigned by the Harbormaster pursuant to G.L. c. 91 for use by boats, lobster cars and floats. B. Piers and floating docks directly attached to piers that extend seaward from above the high water line. C. U.S. Government navigational marks. D. Navigational marks installed by the Cohasset Harbormaster provided said marks do not impede or deter navigation on any tide for any reason other than natural hazard or swimming. E. Lobster pots or traps and their buoys. F. Intraday marks or buoys for recreational activities such as skin diving or sailing, provided said marks are removed the same day.

6. Waiver. A. Any person may request a waiver of the provisions of this Bylaw upon the filing of a Request for Waiver with the Town of Cohasset Harbormaster and Select Board. Waivers will only be granted in unusual circumstances and upon a finding by the Select Board, after said board consults with the Cohasset Harbormaster, that the requested installation will not impede or deter navigation or effect the recreation or conservation of the Regulated Area. B. Any Request for a Waiver must be in writing and the Select Board shall consider said request at a public meeting within 30 days of the filing of the Request for a Waiver. Any decision by the Select Board will be made within 30 days of the meeting or continued meeting.

7. Violations and penalties. A. Violations of any of the sections of this Bylaw shall be punished by a fine of not less than \$100 and not more than \$200 per violation in accordance with General Bylaw, Article I, Section 1-6. Each day of violation may constitute a separate offense. Each point of contact, connection, attachment, anchoring or mooring upon the land under tidal waters in violation of this Bylaw may constitute a separate offense. B. Obstructions. Obstructions caused by unpermitted installations in the Regulated Area shall be subject to removal by the Harbormaster without notice. Obstructions removed and stored by the Harbormaster shall be at the expense of the owner, said expenses shall include all costs and labor.

8. Enactment. Enactment of this Bylaw is in compliance with Section 2A of Chapter 54 of the Acts of 1953 and pursuant to G.L. c. 88, § 19, a copy of this Bylaw was published at least once prior to enactment. This Bylaw shall be applicable upon the vote of Town Meeting.

9. Severability. If any section, paragraph or part of this Bylaw is for any reason declared invalid or unconstitutional by any court, every other section, paragraph, and part shall continue in full force.
